CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not hand written. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

BEEF EXPO UPDATES

Food security and the future of beef headline NBA Beef Expo seminars

This year's NBA Beef Expo will shine a spotlight on the key challenges and opportunities shaping the future of British beef, with a strong seminar programme bringing together voices from across the industry.

Farmers, policymakers and supply chain leaders will come together to tackle some of the biggest topics facing the sector, including food security, innovation in beef production, consumer education and the importance of domestic food production.

The four seminar sessions will cover:

- **What Government's Commitment to Food Security Looks Like**
- **Innovation in Beef Production**
- **Beefing up the UK diet – why education matters more than ever - (AHDB)**
- **Debating the Value of Domestic Food Production**

Together, these discussions will explore both the immediate pressures and longer-term direction of the industry, from policy and productivity through to public perception and market confidence. NBA CEO Neil Shand said the aim is to ensure producers remain firmly at the centre of the conversation, bringing practical insight and real-world experience to discussions that will shape the future of British beef.

WE ARE LOOKING FORWARD TO WELCOMING YOU

STORE & BREEDING CATTLE: 361 HEADS

Another grand yarding of store and breeding cattle with numbers coming from near and far. Plenty of buying power ringside with plenty of faith in the job. 361 head of cattle seen through the ring with a trade from beginning to end leaving vendors chuffed considering the ever-steadying fat trade.

A pleasure to have a part herd reduction sale on behalf of LA & PL Ellis & Gottschalk, Waltham Abbey selling 15 sterling Pedigree and Purebred cow and calf outfits. Topping these saw a young 2022 cow with her heifer calf at foot all the way to £5600. Not too far back a slightly older 6-year-old cow and heifer calf at foot achieving £4000 with heifers and calves to £3800 and £3700 respectively. Other Limousin cow and calf outfits from Adrian Witcomb, Hose also achieved £3700. Super Beef Shorthorn cows with British Blue calves at foot from E Lazonby saw £3500 and £3450 respectively.

A day for the Norwich boy saw Steers topping the day in the store cattle with H Harvey & Son over from Norfolk seeing a trio of yearling steers to £2100 with another from this good home reaching £1900. WA & E Dawson peaked at £2000 for British Blue x yearling steers with this same price being achieved by G & WT Williams, Cromer for slightly older 15-month-old Limousin steers. Another Blue from team Dawson, Retford reached £1935. A tremendous run of Charolais steers and heifers forward today from CJ White, Oakham topped with a brace of steers at £1920 with 4 others from the same good home hitting £1900 and a further trio to £1870. A brace of Limousin steers from the Cromer contingent saw £1900 with SS Gawthroup & Sons achieving £1880 for a single Limousin steer. A trio of Limousin steers from the Johnson family hit £1820 with SC Daws & Sons saw a brace of Limousin steers to £1800. £1780 saw the top of the Natives with a brace of Aberdeen Angus steers from WA & E Dawson.

Limousin heifers topped at £1920 for super smart sorts forward from the Williams family at Cromer with Richard Allsopp seeing a brace of heifers the very same way bred to £1860. Just behind at £1850 saw a pair of super Bazadaise X heifers from C Attle. Yearling heifers peaked at £1800 for a brace of Limousin heifers from H Harvey & Son with team Williams seeing a brace to £1775. M & M Hutton saw 2 Limousin heifers at £1760 with KR Wainwright just behind for heifers the same way bred to £1750. C Attle hit £1700 with others BAX X heifers and just behind him saw another from team Harvey at £1690.

Please may we stress the importance of booking cattle in promptly to save your cattle being sold at the end of the sale. Cattle that are booked in the reared section but are too big will be sold at the start of the stores but if not booked in then all cattle will be sold at the end. As ever we thank you for your support and look forward to seeing you next week.
