CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRE

Vendors are advised that named sires must be officially printed on the passport of the animal and not hand written. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

BEEF EXPO UPDATES

Food security and the future of beef headline NBA Beef Expo seminars

This year's NBA Beef Expo will shine a spotlight on the key challenges and opportunities shaping the future of British beef, with a strong seminar programme bringing together voices from across the industry.

Farmers, policymakers and supply chain leaders will come together to tackle some of the biggest topics facing the sector, including food security, innovation in beef production, consumer education and the importance of domestic food production.

The four seminar sessions will cover:

- **What Government's Commitment to Food Security Looks Like**
- **Innovation in Beef Production**
- **Beefing up the UK diet – why education matters more than ever - (AHDB)**
- **Debating the Value of Domestic Food Production**

Together, these discussions will explore both the immediate pressures and longer-term direction of the industry, from policy and productivity through to public perception and market confidence. NBA CEO Neil Shand said the aim is to ensure producers remain firmly at the centre of the conversation, bringing practical insight and real-world experience to discussions that will shape the future of British beef.

STORE & BREEDING CATTLE: HEADS

A much smaller show than seen in recent weeks with just 200 breeding and store cattle seen and sold. Breeders and feeding cows still a super trade throughout with store cattle just beginning to see some resistance in line with the trend of the fat cattle. Fewer cattle coming about weekly so buy them when you see them.

A last minute show of mature stock bulls saw, as many commented, some of the finest and most powerful Charolais bulls to grace the Melton Ring from Thelveton Farms, Norfolk. They saw a tremendous trade with these big lads topping at £4250 with others from this very good home hitting

£4050, £4000 and £3900 respectively. Another pedigree Charolais bull from young Annabelle Howell sold to £3800 to a good local home. Longhorn cows and calves saw a tremendous trade hitting £2680 for JW Stanley.

4 big steers from AD Oldham topped the day with this packet of tremendous strong steers hitting £2000. Hereford steer from M Daynes hit £1660 with Limousins from JS Agriculture seeing £1650 and a further £10 was a brace of British Blue steers at £1640 from P Godber. Young Ben Smith saw blue steers to £1610 with a brace of Herefords to £1600 and £1570 respectively from PT Hickling. A trio of Limousins from Ben Smith also matched this figure at £1570.

EM Hollingshead topped the heifers seeing British Blues to £1760. 3 more from JS Agriculture saw Limousins to £1640 with a packet of 6 the same way bred from Ben Smith reaching £1500. This figure was matched by a super pair of Angus heifers forward from Robinson Brothers and then again for British Blues from EM Hollingshead.

British Shorthorns from I Clark saw £1460 with British Blues from local supporter SJ Kent achieving £1440.

Not many cattle booked in for the coming weeks so please enter your cattle quickly so we can get them catalogued and advertised for your advantage. As ever we thank you for your continued support and look forward to seeing you next week.
