CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not handwritten. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

788th CORBY GLEN SHEEP FAIR – 1311 HEAD SOLD:

What a super day last Saturday for the Annual Field Sale of Sheep, forming part of the Corby Sheep Fair Weekend, the oldest Sheep Fair in the Country. When we moved this prestigious sale to a Saturday to better connect the public with British Farming, we never expected to see over 850 people from all walks of life in attendance! The Sun Shone, the sheep came, as did the Vendors, the General Public and a Good Day was had by All (some more than others as the festivities went on into the night at the Fighting Cocks, well supported by the lesser spotted, Pauline Baker on flying form!).

Vendors came from near and far, such as Leicestershire, Nottinghamshire, Northamptonshire, Rutland, Lincolnshire, Lancashire, Hertfordshire and to the Purchasers from probably even further away. The Store Lambs averaged a “Whopping” £134.41. The Theaves £239.39 and the Shearling Rams £370.77.

STORE & EWE LAMBS:

Perhaps the dearest that we have seen them over the past couple of years. Topping were G&H Rogerson, Lincoln selling 2 pens of Mule Ewe Lambs to £200. MJ Thurlby, Tallington sold Suffolk Ewe Lambs to £172, with Texels £160. Perhaps the Youngest Ever Vendor at Corby Glen, Ralph Murdoch, Skillington sold Suffolk Ewe Lambs to £160. D Lofthouse, Beesby sold Texel Ewe Lambs to £154. Joe Hempsey sold Texel and Blue Texel Store to £150. B Green, Irnham sold Texel Xs to £147.50 and £143.50. Onto a super run of lambs from the largest consigner this year C&W Murdoch, Sewstern, selling Texels to £138, £137, £135, £132, £131.50 and £131 several times. Their consignment of 218 Lambs averaged £131.43!!

RG Fisher, Bourne sold Texel Ewe Lambs to £135. RA Blanchard, Bourne sold Continentals to £130 and £126.50. Claire Jyssum, Bourne sold Dutch Spotted to £125.50 and £125. Once again we thank everyone for their support to make The Corby Glen Sheep Sale the success that it is. A note of thanks must go to the Sheep Fair Committee who have more than backed the Sale and for their support (We have exciting plans ahead for future years). To March House Farm and The Murdochs for the Sheep Hurdles, and to The Market Staff for putting them up and taking them down.

To Sir Fred Cholmeley for allowing us to conduct the Sale on his Land.

RAMS

Tuesday 6th October saw our biggest entry of tups yet and a superb entry of breeding sheep alongside the usual Tuesday madness with 1320 head of breeding sheep seen. A grand show of both MV and non MV tups with the best tups still seeing good ringside support. Power and style the order of the day with strength really helping to get the tups cashed. Texel, Beltex and Charollais really seeing the best ringside support and proving they still lead the way in the commercial world. Suffolks also selling well with strength really proving vital.

King Phil once again reigned supreme with a big stylish Texel tup from this stable topping the day at 2000gns and selling to another local pedigree breeder. Another Texel from this home saw 1250gns while Texels from Neil Ruby achieved 950gns. Other Texels saw 900gns from CD Jarvis & Son with this good home also seeing 2 others at 860gns respectively. STORE & BREEDING CATTLE – 242 SOLD

A quite extraordinary day in the store cattle shed with 2 herd dispersals included in this weeks sale and a total yarding of 242 head of cattle sold and seen. A pleasure to be asked to hold dispersal sales on behalf of WE Smith & Son, Sudbrook with their Limousin x cows and calves and MJ & SL Thirlby, Tallington. Breeding cattle highly sort after showing there is great confidence in the cattle industry, and this was firmly backed up with the store cattle being an absolute flying trade.

Starting with the breeders and the dispersal sale from WE Smith & Son, it was the stock bull that set the bar for the rest to follow with this big 7-year-old Limousin lad hitting £2780 and staying local to breed! Rising to the top saw a British Blue x in calf cow and bull calf at foot seeing the fantastic heights of £3910. In calf Limousin cows with calves at foot ranging between 5 and 9 years old saw over the £3000 with the best seeing £3410 and others to £3300 and £3045 respectively. The 33 cow and calf outfits from this home saw a tremendous average of £2730. 4-year-old in calf Limousin cows topped the in calvers with a super Limousin x girl hitting £2650 selling to a local multiple show winning family. Other young in calf cows hit £2390 with another to £2200 and older cows saw a 9-year-old Limousin x to £2000. 20 in calf cows saw a very respectable average of £1720. On behalf of us all here at Melton Market we would like to thank Trevor and the whole Smith family for their continued support and backing of the market and we ask you please not to be strangers in the future!

From one dispersal to another, and this time it was the Lincoln Reds that took to the hot seat on behalf of MJ & SL Thurlby, supporters of this market most weeks of the year. These girls topped at £2090 for a 6-year-old purebred cow and her steer calf at foot with other outfits seeing £1920, £1870 and £1800 respectively. The in-calf cows from this good stable topped at £1700. Again we thank team Thurlby in entrusting us with this sale and wish them all the best in their next endeavour.

Into the store cattle we go and some strength around the shed too with cattle for all jobs seen in a conventional midlands show of store cattle. Strength and power lead the way with a strong Beef Shorthorn x steers from young Hannah Cope, Aylesbury leading the charge in the steers seeing £2140. Some super Limousins forward from Wright Brothers, Leverton peaked at £2050 with others from this home hitting £1755 and £1690 respectively. Up the motorway saw D & M Cross with 2 powerful Limousin steers reaching £1950 while yearling Limousins from W G Childs & Son Kettering reached £1900. A pleasure to see local team M & H

Pick selling a grand consignment of cattle with us this week with these Limousin x steers from this home peaked at £1810 with a brace of others to £1760 and others seeing £1750 and £1730 respectively. Young man Tom Durno, Kibworth sold a trio of super British Blue x steers with these boys reaching £1700.

It was the heifers that led the charge this week and a brace of 2 show stopping Bazadaise x from C Attle, Ely all the way to £2150, the same home saw a trio of heifers the same way bred hitting £1860 with another hitting £1700 respectively. More young Limousins from Wright Brothers, Leverton saw a pair of heifers to £1850 and another pair the same way bred from this good home to £1750. Yearling Charolais heifers from The Haines Company, Leicester achieved £1680 while Limousins from Mark Howkins saw £1680.

The smaller the cattle the dearer they were this week the Howkins family being a prize example of this with pens of Saler cattle ranging between 5 and 9 months old reaching between £1200 and £1400 respectively.

More store cattle needed to meet the ever-growing demands.

As ever please get them booked in so we can advertise to your advantage. We thank you for your continued support and look forward to seeing you next week.
