CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not handwritten. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

STORE & BREEDING CATTLE: 105 HEADS

The rain is falling, the grass is growing and the store cattle are getting dearer. There is no time like the present to get these cattle cashed, big, small, we sell them all and leave vendors begging the question if they can find more to sell. A few more seen this week with 105 head through the ring and sold, big cattle as ever seeing proper rewards and smaller cattle seeing furious bidding from every corner.

Starting the day with the breeders and a tremendous young Pedigree Saler Bull forward from BP Cranfield, Bourne with this lad hitting £3150. Cows and calves also seeing the Saler breed raising to the top with young man J Ellis, Codnor selling a super cow and calf outfit to £3320. The same good home also saw Longhorn outfits reach £2580. A lovely show of Cows & Calves forward from LW Simons, Hose with more expected from this home next week, topping this run a super heifer and calf outfit at £2340.

Steers lead the way all day with top of the pops going to WT Maydwell, Burrough on the Hill for big South Devons hitting £2280 with another 2 the same way bred from the same stable hitting £2000. Young Limousin bulls from HD & PJ Cranfield, Bourne saw 2 hit £2120. A pleasure to welcome John Madge, Grantham for what would be the last time selling store cattle through Melton and what a day to remember. Topping with a trio of Limousin steers all the way to £1960 and 3 more the same way bred at £1850. British Blues from young Eddie Nundy, Boston reached £1810 for 4 with another steer the same way bred from Local vendor Musson & Son, Wartnaby.

SJH Farming over from Norfolk topped the heifers with a big Bazadaise x all the way to £1860. A packet of Limousins from JW & DC Madge, Grantham hit £1700 with British Blue x heifers from Musson & Son reaching £1610 and £1590 respectively. Back to the South Devons from WT Maydwell with the best heifer from this stable to £1570. Piedmontese heifers from SR Wilson, Selston saw £1530.

More cattle needed to meet huge ringside buying power, please book them in. As ever we thank you for your support and look forward to seeing you next week.

CHARITY AUCTION BEEF EXPO STEER ON BEHALF OF GW AMOS, GREAT BOWDEN

This week saw the Charity Auction of a Beef Expo Steer on behalf of the Amos Family! Following the help Gordon Amos received after his accident in May 2026 the Amos Family were pleased to auction off their Beef Expo Show Steer in Aid of the Air Ambulance who do amazing work saving lives across the Country! A HUGE VOTE OF THANKS from us all here at Melton Mowbray Market and on behalf of the Amos Family for all of the funds raised in aid of The Air Ambulance Service!

FUNDS RAISED = £8815!!

The Charity Beast raised £4600 purchased by E Nield & Partners, Cheshire. The Sale of the Beast was followed by a Charitable Auction of a whole wheel of Stilton Cheese and a bottle of Whiskey and further donations from the MBAS Champion Heifer Hide raising a further £3900!

What a fantastic cause! Thank You to everyone for their kind and generous support!!

A brilliant day at The Stockyard yesterday and a privilege to host such a special Charity Auction for a cause close to many of our hearts.

A Message from the Amos Family, Great Bowden:

"First of all, we would like to say a BIG Thank You to everyone who came to support this event and for supporting this sale at Melton Mowbray Market for such a good cause.

This Beast was auctioned off in aid of The Air Ambulance who on May 14th saved Gordon Amos's life. On this day Gordon took a fall at home that meant he was airlifted to Coventry Hospital due to head trauma and a double leg break.

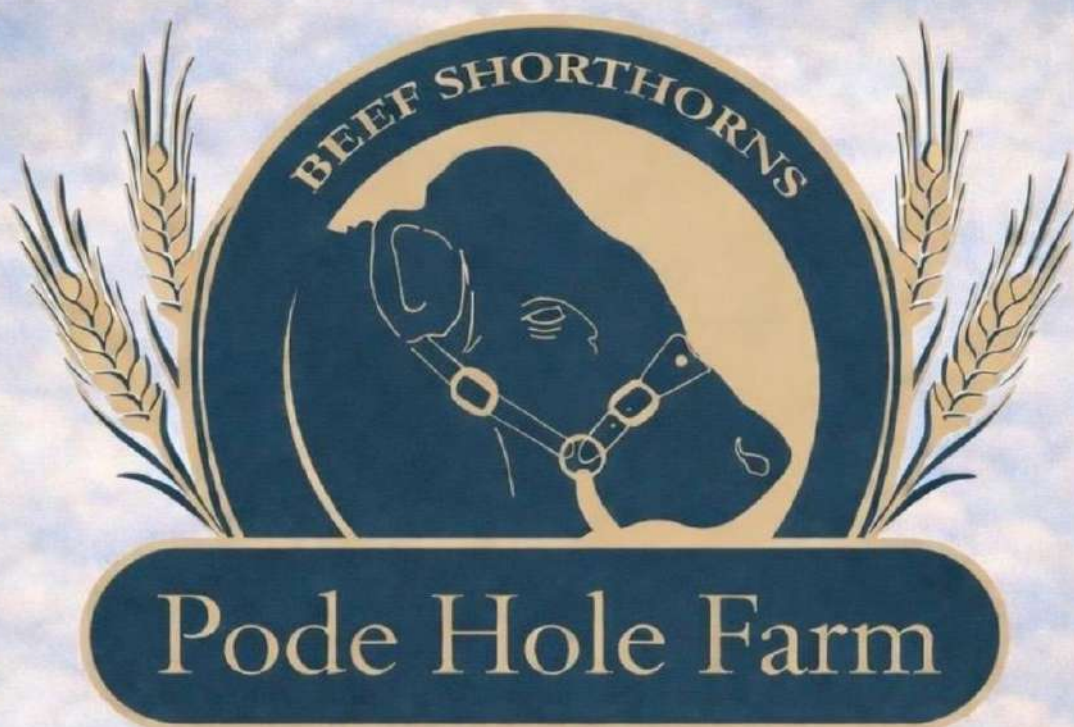

We would like to thank them for their heroic actions and exceptional care on the day but also for their constant support ever since.

Without their treatment or care, Gordon may not have been able to enjoy this day with all of us here and although we still face a long battle ahead, we will forever be grateful for their actions.

Thank you for helping us raise funds for such a fantastic cause, anything you can give goes such a long way in keeping the charity going and saving so many lives!"

Thank you all - Further Donations are welcome.
