CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not handwritten. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

STORE & BREEDING CATTLE: 171 HEADS

Quality pays the way. They say the quality is only in the North but as ever Melton bucks the trend with some super sorts forward today and more needed. Cattle of all shapes and sizes forward this week with buyers for all, ringside. Small cattle look very well sold with the grass getting ever greener.

171 head of cattle of cattle sold to include 55 breeding cattle.

An bitter sweet pleasure to be asked to conduct the dispersal sale of cows and calves on behalf on John Madge, Harlaxton. John has been a familiar face in the store cattle ring throughout the years and we are all very sad to see the last of his cows be sold. From us all at Melton Market we would like to thank John and his family for their continued support throughout the years. His 6-year-old Limousin stock bull kicked the sale off in style hitting £2800. Then in stepped the cows and calves and we went with a bang with the first cow and calf outfit from this home seeing £3200 another Limousin x outfit from this same good home seeing £2850 with others to £2800 respectively.

Beef Shorthorn heifer and calf outfits from the Mallaber family over from Burton On Trent blew the ring up with tremendous ringside support and some furious bidding. Topping the day a super sweet outfit to £3500 with other outfits the same way bred from this same home achieving £3150, £3050 x2 and £3000 respectively. Lincoln Red cows and calves from MJ & SL Thirlby, Tallington saw tremendous rewards of £2600.

Into the store cattle and what a pleasure to see some quality cattle making the highlight real. Top of the pops over from Biggleswade saw team EH Heaton leave everybody in their wake with a brace of Steers to £2260 and another from the same home to £2190. M Warner took charge of the natives up from Warwick with a brace of quality Shorthorn steers hitting £2060 and 3 others the very same way bred to £1990.

WD Sim, Nether Broughton sold his usual quality Limousins with 14-month-old steers from this stable hitting £1910. Young lady in farming JJH Agri Services saw a super Angus x Galloway steer seeing £1900. Richard Bee, Billingham setting the world alight with 9-month-old Limousin steers hitting £1850 for 3 and £1800 for another 3 from this same good home. Big British Blue steers forward rom KS Skinner & Son, Theddingworth saw 9 real making steers all the way to £1745.

Not as many heifers seen today with the Sim family leading the light in this section with Limousin to £1800 and another the same way bred to £1740. British Blue once again from KS Skinner & Son saw £1730 and not too far behind was Musson & Son, Melton Mowbray with a trio the same way bred to £1690. Back on from the Skinners saw a packet of 4 to £1650 with Herefords from RHW Ward seeing £1600.

More store cattle needed each week to meet the ever-growing buying demands. Please book them in with the team so we can get them catalogued for your benefit. As ever we thank you for your continued support and look forward to seeing you next week.
