CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not handwritten. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

STORE & BREEDING CATTLE – 138 SOLD

Another day to remember in the store cattle ring with numbers slightly tighter but trade certainly stepping up yet again. The grass is getting ever greener and with less numbers about now is the perfect time to cash these cattle in. A show of mixed qualities in the store cattle section with the good, bad and ugly all on show.

Big and small we will sell them all and once again all vendors leaving smiling from ear to ear.

A pleasure to have team Ellis & Gottschalk all the way up from Waltham Abbey selling 8 Pedigree & Pure-bred Limousin cows & calves. They set the tone for the day with bidders piling around the ring with the place packed to the rafters. Topping them saw a 6-year-old Pedigree cow with a super Bull calf at foot hitting the high time at £4200. Purebred cows of the same age from the same good home saw £4000 with others all from this home seeing £3950, £3900 and £3350 respectively. A super Aberdeen Angus heifer and calf forward from ERB Dewes hit £2950 with a Limousin heifer and calf from TB Dalton, Ashbourne hitting £2650.

Top of the tree today saw a brace of Limousin heifers from the Boddys over at Ruddington peaking at £2000 with the same good home having other heifers to £1600. Ian Tutton up from Essex saw a monster on a Hereford heifer to £1970 while Redfern Brothers, Swadlincote saw Limousins to £1790. British Blue heifers from team Skinner, Theddingworth reached £1720 with 3 others from this same good home to £1610 and another 5 at £1595 respectively. JL & L Burton saw Limousin heifers to £1670.

Steers topped at £1910 for a brace of British Blue steers for KS Skinner & Son with this home seeing others to £1690. Up from Kent again saw Ian Tutton with Limousin steers to £1870 and blues to £1850 for the same good home. Limousins from the Redfern Brothers hit £1700. Yearling British Blues from RP & JL Jarvis, Ashbourne saw a packet of 5 steers to £1590 with GJ Stephens hitting £1550 with Simmentals.

As ever more cattle needed to meet the weekly growing buying power seen at Melton.

Please let us know if you're thinking of selling and we would be more than happy to help.

Continue to book your cattle in prompt for catalogue and advertising. As ever we thank you for your continued support and we look forward to seeing you next week.
