CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not handwritten. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

BEEF EXPO 2026

On Saturday 30th May 2026 it was an honour and a privilege to host the National Beef Association Beef Expo Event 2026. This bi-annual event is one of the Beef industry's most significant occasions where farmers, industry leaders, stakeholders, breeders and retailers all come together to showcase the British Beef Industry. The theme of the event was "Beefing Up Food Security," which included a range of seminars, trade exhibits, industry discussion and the renowned National Commercial Cattle Competition. The event attracted thousands of visitors to our site, both local and nationwide.

The National Commercial Cattle show showcased the best of commercial British beef genetics. The baby beef section saw Mrs Tracey Jones tap out a Baby Limousin Steer "John Boy" from Taylor Charlton, near Penrith, as Champion with a Baby Limousin Heifer "Annie" from Tecwyn Jones as Reserve.

Mr Glynn Howatson kindly judged the main event, awarding the Supreme Championship to regular market supporters TA & LC Lyon & Son, Bourne, with "Suzie" a March 2025 born British Blue x Heifer. Reserve Supreme Champion was taken by Messrs Ludgate, Leighton Buzzard, with "Sugar Tits" a Limousin Heifer. The line up of cattle was of top standard, giving Mr Howatson a very difficult task, our judge praised the Exhibitors for the show of cattle on offer.

The Young Handlers Championship was taken by George Turnham, 14, Brackley, who has also competed in our Young Stockperson of the Year Competition. Reserve Champion went to Millie Walter, 21, of Slawston.

Some discussions in the seminars led to debates which challenged key industry issues currently facing the British beef sector, where we welcomed industry experts and politicians. These seminars included food security, food production, education, promotion, innovation and technology.

For us, the event meant we could welcome a range of people nationwide to view our Mart, and its offerings, as well as show support and our passion for British Agriculture and British Beef Production. It was incredibly important for us to showcase what Markets, producers and suppliers have on offer further down the Country and an absolute pleasure to work with the NBA team in creating this event.

We would like to thank the National Beef Association Team, led by Neil Shand, for working with us on the Event and all our hard-working staff for pulling things together. Special mention to Julie Sedgewick and her team on promoting and delivering the National Commercial Cattle Show. Thank you to all new & regular exhibitors, sponsors, breed societies, stewards, volunteers, competitors and visitors for supporting Beef Expo 2026 at Melton Mowbray Market. We hope to see many of you back in the Mart soon!

From all the Team at Melton Mowbray Market
