CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not handwritten. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

CULL EWES & GOATS – 1219 HEAD SOLD:

Suffolks topped at £210 for RJ Batchelor for big Pure Breds and not too far behind for Crossbreds to £197 saw a pen of 10 from RF & PN Gosling. Matching this figure of £197 for a big pen of 22 was Thoresby Livestock, a trio of others from the Batchelors and a single from P Amor all hit £192. Another grand pen of 20 Suffolks from Thoresby hit £191 with GW Farms, Suffolk seeing the same good figure for 1. 13 more ewes from Thoresby Livestock hit £187 with a single Suffolk x ewe from F Cosgrove & Son saw £185. £183 saw by 2 different vendors being GG & IJ Jackson and D & N Farming for 4 and 6 respectively. Young lady Anne Potts saw her 8 Suffolk ewes all hit £181.

Other Cheviots from Ted Tutton hit £177 with Hampshire Downs from GW Farms seeing £176. Not so many cull rams seen this week and top of the tree was Cambridge University selling Texels to £234 and Charollais tups to £225 from Kingston Blount Farms. Zwartble tups across from Suffolk hit £200 with Cambridge University matching £200 for Texels. Suffolks from F Cosgrove & Son hit £190 with Texels to the same figure from C&D Farming. STORE & BREEDING CATTLE: 152 HEADS

What a day to be a breeding beast and an even better day to be selling breeding cattle. Vendors going home smiling from ear to ear. With grass getting greener by the day the stores get dearer by the week, get them cashed and don't miss the "lush" trade that's there to be had. 151 head seen and sold through the ring with many more needed.

A pleasure to hold the first half of the herd dispersal on behalf of Retreat Farm Partnership with the 4-year-old pedigree Hereford bull "Normanton Walkie Talkie" seeing £4100 staying local to continue to breed. This good home saw a super run of Hereford cows & calves top at £3000 with others to £2950 and £2850 with 15 outfits averaging a whopping £2613. Please note there will be another 15 cow & calf outfits coming in July, keep your eyes peeled. Limousin bulls forward from M Keeley Agriculture hit £3400 for 2-year-old bulls with 3 others the same age from the same home all hitting £3000. Pedigree cow & calf outfits with a strong steer calf at foot hit £3800 from D & D Byard. Other cows the same way bred from K R Wainwright saw £3000 with Charolais outfits from P & F Baker, Bruntingthorpe reaching £2900. Aberdeen Angus outfits from regular consigner Kirk Leedham LTD topped there's at £2720 and another at £2700 respectively.

Store cattle once again an absolute flier with the best end hitting highs not seen for quite some time with heifers leading the charge taking all the top rewards. Top of the pops was FW Robinson & Son with Limousins to £2310 and not too far behind was A Norcross & Son with heifers the same way bred to £2260. FW Robinson saw a brace of other Limousin to £2060 with a pair from the Norcross's to £1940. H & S Purser saw British Blue heifers hitting £1770. Yearling heifers from P & F Baker seeing a packet of 6 heifers to £1720.

Other Limousin heifer from young man in farming Patrick Fraser seeing £1670.

Limousins also reigned supreme in the steers with A Norcross & Son hitting £2020. Just behind seeing £2010 for big strong bullocks was H & S Purser with the same home also seeing Angus steers to £1790. Ben Nichols topped with British Blues to £1920 with Patrick Fraser seeing yearling Limousin steers all the way to £1890.

British Blues from GJ Stevens saw £1760 and £1720 respectively.

More store cattle needed week on week, please let us know if you have cattle to sell so we can get them advertised to your advantage.

As ever we thank you for your continued support and look forward to seeing you next week.
