CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not hand written. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

STORE SHEEP

AUCTIONEER – SCOTT RUCK

TEL: 07796 897516

STORE SHEEP: 1785 HEAD, Average: £126

With some people predicting a drop in trade with weather taking a turn for the worst, it was quite the opposite. The gloves were off in the buying alleys with more faces than ever penside wanting lambs.

1785 store lambs landing with and sold to a dearer trade on the week to average an eyewatering £126. With many people splitting lambs between fat and stores and seeing better rewards in the store lambs, is the penny finally dropping that the store lamb section is the place to sell lean lambs. Some tremendous runs of lambs forward this week with Pembridge Farm up from Farm seeing a quality run of 382 lambs average a staggering £124, with Leam Farm Partnership levelling off at £130.50 for their run of 262. Sheep today travelling from as far as Yeovil, Somerset!

Texel lams reigning supreme with Sunnyside Dairy Farm reaching £143. A super pen of 8 Beltex x Texel lambs from D & J Coulson hit £142.50 with a pen of 13 Texel Mule ewe lambs from Mullan Farming reaching £140 with another pen of ewe lambs from the very same good home hitting £136. Local vendor WD Copley & Sons struck gold with their best pen of lambs reaching £139.50 and this being matched for a pen of lambs the very same way bred from JD & EM Harray. Hot on their heels seeing £139 were 2 pens of lambs from WE Smith & Son. More Texel lambs at the same good figure of £139 saw WW & JA McCurdie with their best pen of 16 lambs, other lambs from this very same good home saw £137 twice and £136.50 twice all for sweet Texel x lambs.

A fabulous show of Suffolk lambs forward this week with the best seen by our very own Mark Howkins with a pen of 13 lambs reaching £137. Just behind was RWH Fenemore & Son with a pen of 6 from this home seeing £136 with the same good home having another pen of 12 to £135. Golden Boy Tommy Greenfield matched the figure of £135 for a pen of 12 Suff x lambs with the very same good old boy seeing 11 more at £134.50. Anne Potts familiar face, seeing massive rewards for super lambs with Suffolk tup lambs from this home hitting £129.50 with 5 others from the very same good home seeing £128.50.

Just when they said they couldn't get any dearer, they have. All the best end lambs seeing comfortably over £120 with the strongest and best bred seeing closer to £130. Middling lambs still well over the £100 mark and long-term lambs making comfortably £80. Only 6 store lambs today selling for less than £50 tells the whole story of store lamb trade at the moment. If you have lambs to sell now is the time to get them cashed. As ever we thank you for your continued support and look forward to seeing you next week.

STORE & BREEDING CATTLE – 253 HEAD SOLD:

More forward this week in the store cattle shed with 253 gracing us. Once again store cattle at monumental heights with absolutely no look of trade seeming too only be going one way. Once again a ringside full of buyers with lorries to fill supporting the cause and backing your stock with the live ring continuing to pave the way, for those people unsure which way to turn if you have cattle to sell Melton is the place to be. With just a handful of breeding cattle in today this section was topped with a Purebred Limousin bull from AC Morton reaching £3220. Cows and calves topped at £3100 for a tremendous outfit South Devon Cow outfit from R Troop & Son.

It seemed to be lady's day in the store cattle ring with heifers seeing a screamer of a trade from start to finish. A much better show of heifers than steers on the day with the very best seen by young man Lewis Witcomb. Just behind was David Scarborough also for Limousin heifers reaching £2230 with others from the very same good home seeing £1940 for a brace the same way bred. A trio of other Limousin heifers forward from SR Sandercock reached £1940 which "King of the Carrots" M Woodhouse saw British Blue heifers to £1930. A trio of Limousins from SC Dawes & Sons hit £1925 with another the same way bred from the very same good home saw £1900, with this being matched for a brace of heifers from DJ Scarbrough. Hereford heifers topped at £1895 for MD Contracting.

Bullocks also an absolute flyer for the goods on show with these topping for a brace of tremendous Limousin x steers from JF Greaves & Son LTD reaching £1960. Stephen Turner down from Doncaster saw yearling steers all the way to £1860 with this matched with this matched for a trio of Limousin steers forward from SR Sandercock. Wright Brothers hit the top of their trade with Limousin steers to £1795 with Herefords from MD Contracting reaching £1755. Yearling Charolais steers from South Fields Farm saw a super packet of 5 reach £1700.

Store cattle are short nationwide meaning now is the time to sell with buyers ringside actively looking for more cattle. Please do not hesitate to get in touch to best sell your cattler and speak to one of our team. As ever we thank you for your continued support and look forward to seeing you next week.

ANNOUNCEMENTS

Rebecca Burnett

We are sad to announce that Wednesday 26th November will be Becky's last day at Melton Mowbray Market. I'm sure you would all like to join us in thanking Becky for her five years here and many of you will also have known her from Newark days beforehand. We will miss her sterling work clerking sheep and cattle as well as being a guru on the livestock market systems. Becky has helped the company through the revolutionary changes selling on both Tuesdays and Wednesdays, from the introduction of Pedigree sales to helping through Covid and more recently Bluetongue. Undoubtedly one of the finest Clerks and assistants in the livestock market world and always with a smile on her face. We will miss her dearly and wish her every success and happiness in her future work and married life.

Bereavements

The Staff & Directors of Melton Mowbray Market are sorry to hear of the recent passing of Mr. Charlie Stanger, Stanford on Soar, Loughborough.

BLUETONGUE UPDATE

Defra has extended the period of relaxed controls until 1 July 2025 when the whole of England will be in the Restricted Zone. Up until 11:59pm on 30 June, the controls listed below will apply, but after then there will be free movement with no testing requirements for all animals in England (though germinal products will still require a licence and testing). This is what we have been campaigning for since the start.

The situation for Wales and Scotland is different and may evolve further ahead of 1 July. Should you wish to take animals from Market to Wales or Scotland please contact us for the latest information. We continue to be able to sell animals from throughout the UK.

The Market is treated as 'neutral' for movements, as it is for TB.
