CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not handwritten. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Yard Manager Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETERINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

BREEDING RAMS:

Friday the 18th September saw the 6th annual Midlands breeding sheep fair & NSA ram sale and it did not disappoint. Over 6000 head of breeding sheep comprising of 282 tups and over 5700 ewes.

A big thank you to all those who continue to support us, the market staff for their tireless efforts, hauliers, and not forgetting our judges Mrs Angela Tarry-Smith, Brackley and Mr Tom Turnham, Brackley.

A tremendous show of sheep forward coming from the length and breadth on Britain. A huge congratulations to J & J Tredwell, Brackley for winning the overall champion pen of ewes with the pen of shearling Suffolk's. Taking the top prize and overall champion pen of 4 tups was Barbara Smith and team up from Slapton Manor Farm with their Texels.

Where else to start other than with the tups and some fantastic runs of tups forward with the very best meeting great rewards. Some of the best consignment averages include the Empire flock from Phil Weaver, Caunton seeing a pen of 8 average 1725gns, Slapton Manor Farm up from Northamptonshire showed 11 Texel and Texel x tups with these averaging 1356gns. All the way down from Pickering cam team Timm once again with Charollais and Charollais x tups from this home levelling at 973gns for 17 forward.

Up from Oxfordshire came a team of 20 tups from Chiltern Beltex with this team showing Beltex, Charollais and crossbred tups averaging 871gns.

Who else but Phil Weaver to take the top 4 prices of the day with the very best seeing 2150gns with others to 2000gns, 1900gns and 1800gns respectively. The team from Slapton, matched 1800gns with their best Texel and another from this home reached 1650gns. Team Tofield, up from Buckingham saw the best of their Texels to 1320gns with team Roots across from Rugby achieving 1000gns.

Just a handful of Beltex seen this year with girl power showing everybody how it's done. Not too many Suffolks forward but a super show nonetheless with David Inamn, Thorpe Satchville taking the top spot for first prized pen of shearling rams and ram lambs. It was this good home that took top priced Suffolk with a lamb to 1050gns. This home also saw shearlings to 1000gns and matching this for shearlings was team Hallam & Eggleston who also sold shearling rams to 920gns and 900gns respectively.
