CARD PAYMENTS

Due to extraordinary cost increases across the board from our card payment provider starting in April, we will not be able to accept commercial Debit Cards without the 3% surcharge that currently applies to commercial Credit Cards. We continue to work with our card providers and other providers to address this issue, but in the meantime, the only card payments we can accept without surcharges are consumer debit cards. We continue to be unable to accept consumer credit cards at all.

We apologise for the inconvenience caused and would encourage customers to use BACS payments wherever possible.

CATTLE ENTRY FORMS

We would like to remind our customers of the importance of correctly filling out Cattle Entry Forms. ALL cattle must be accompanied by a fully completed and signed entry form to include the TB testing interval and date of most recent test along with Farm assurance details and any reserves. Cattle entry forms can be collected from the market office or downloaded from our website. If you have any questions, please ask a member of staff or call us on 01664 562971.

PAY ON THE DAY POLICY – REMINDER OF TERMS

We would like to remind our customers that all store and breeding stock must be paid for on the day. Prime stock purchasers can apply for terms using an account form, which can be posted or emailed on request and are also available from the market office. For Prime stock purchasers with credit agreements, credit terms will extend to a maximum of two weeks. If you have any questions, please don't hesitate to contact us on 01664 562971.

FARM ASSURANCE STATUS

Would all cattle vendors selling cattle as Farm Assured please ensure that their Farm Assurance is up to date, with all linked holdings registered to the primary holding, and ensure that the stickers used in passports match the details held by the administering Farm Assurance body. We are increasingly having issues with linked holdings not being covered under a primary FABBL account, and severe deductions are being applied at the time of slaughter. In such instances, the vendor is liable for all deductions made.

NAMED/NUMBERED SIRES

Vendors are advised that named sires must be officially printed on the passport of the animal and not hand written. We will not sell animals as being named or numbered sire if the sire details are not printed onto the passport. Sire details may be checked with the breed societies online to ensure that they are correct. Please also include sire details on your blue entry forms which accompany cattle to market. Thank you for your cooperation.

LAIRAGE

For lairage please call Rory Mullan (07500 833 710).

AGENTS ACTING FOR THIRD PARTY PRINCIPALS

Agents acting for buyers are reminded that under the national LAA terms and conditions of sale (para 17.3), they are jointly and severally liable with the principal for all contracts. The agent may be released from their joint and several obligation, but only through prior written agreement with the Market.

IMPORTANT NOTICE!

New Veterinary Attestation rule for farmers to be introduced on 13th December 2023.

THOSE WITHOUT VETINARY ATTESTATION MAY RISK SERIOUS PRICE REDUCTIONS WITH STOCK BEING INELIGIBLE FOR EXPORT!

What's changing? Changes in legislation, as from 13th December 2023, will require all producers selling livestock for slaughter to have had an annual farm veterinary visit to allow their animals, and/or part of any animal, to be exported out of the UK. The purpose of the new rule is to comply with EU export requirements to verify the absence of notifiable disease and provide general advice on farm biosecurity.

Farmers whose holdings are already Farm Assured may use the veterinary inspection required for this as their attestation.

STORE & BREEDING CATTLE - 176 HEAD SOLD:

A day where the best was few and far between, but my word did, they make their mark. A total of 176 seen and sold with a mixed show and something to suit every job. Buyer power around the ring for every commodity seen and a credit to the support seen around the live ring. With the fat trade over the January slump, it's time for the stores to take off with buyers needing more and more each week. Just a handful of breeding cattle this week with bulls' top of the shop, RB Ingamells & Son, Barkston seeing pedigree Limousin Bull "Beaconsfield Thomas" all the way to £4800. A big Hereford bull from J & S Arrowsmith, Bourne saw £3900 and staying local. Bulling heifers from the Ingamells topped at £2950 with another from this home seeing £2620.

Onto the stores, it was a mountain of a steer forward from PM Wainwright, Mountsorrel that topped the day seeing £2390. More big Limousin steers from regular face Andrew Oldham, Willoughby on the Wolds hit £2120 for a pair and a brace of Simmentals forward from JW Grooby & Sons, Burley reaching £2015 another from this home the same way bred hit £1975. Other Limousins from Blackhall Farm, Norfolk hit £1945 for 2 with great big Angus steers from T Duffin, Mountsorrel seeing £1910. Just behind were Blue x steers from Weston Farming at £1900 with 2 others seeing £1785. A pleasure to see Yorkshine LTD selling cattle through Melton with Charolais steers all the way to £1860. Other Angus bullocks from the Duffin's reached £1825 with a brace of Limousin x steers forward from Newton Farms, Newton at £1800.

Strattons Farm LLP, Newbury writing all the headlines with a super run of 12 Limousin x yearling heifers showing that the best cattle see the greatest rewards and plenty of buyers for the goods. Top of the shop a brace of heifers all the way to £2300 with a trio of others to £2140 a single at £1980 and a packet of 5 to £1950 all from the very same good home. Big Angus heifers forward from team Duffin saw £2065 and Limousins from PM Wainwright to £1945. Young man Jack Peacock, Wymondham sold a brace of Limousin heifers to £1890 with MJ Brewin seeing heifers the same way bred to £1865. A tremendous run of yearling Charolais heifers from RG Elliott, Willoughby topped for a group of 4 to £1700 with the next 4 in the ring matching them at £1700.

Store cattle a pleasure to sell from beginning to end and more needed week on week. A good show of cattle already booked in for next week so if you have stores to sell please let us know so we can get them catalogued and advertised for your best interests. As ever we thank you for your continued support and look forward to seeing you next week.

BLUETONGUE UPDATE

Defra has extended the period of relaxed controls until 1 July 2025 when the whole of England will be in the Restricted Zone. Up until 11:59pm on 30 June, the controls listed below will apply, but after then there will be free movement with no testing requirements for all animals in England (though germinal products will still require a licence and testing). This is what we have been campaigning for since the start.

The situation for Wales and Scotland is different and may evolve further ahead of 1 July. Should you wish to take animals from Market to Wales or Scotland please contact us for the latest information. We continue to be able to sell animals from throughout the UK.

The Market is treated as 'neutral' for movements, as it is for TB.
